## Notice

### ◎ Exam results

- It takes about 7 to 14 days for your health exam results to be sent to the immigrant office.
- Please be aware that it takes more time if your health results show abnormalities.

### ◎ For female applicants

If you have a urine test, avoid taking it during menstruation or for a few days before and after menstruation.  
 A repeat test will be given another day if the results show any abnormality and it takes longer to complete the exam.  
 Please contact us if your appointment date may meet menstruation.  
 If you are pregnant or there is a possibility of pregnancy, please contact us.

### ◎ Restrictions on the exam day

- For those having a medical examination, drink enough fluids before the exam for a urine test.
- For those having a medical examination, come in easy clothing as you need to change clothes.  
Do not bring expensive belongings. You can only wear underwear under the lobe.
- No blood test required for those under 15 years old. No urine test required for those under 5 years old.
- Time required for the exam is approximately one hour. It takes 2 to 3 hours if further testing is required.

### ◎ Making a change or cancellation of your appointment

For the other applicants sake, please refrain from cancelling or changing your appointment at the last minute.

### ◎ Kenshin Center is located on the first floor, room No.12.

Make sure not to be late for the appointment or forget anything.  
 You may not be able to have an examination if you are late. Please give us a call.  
 Should you have any questions, please contact us by phone.
